3C FOAMING WAX

Concentrated Vehicle Cheater Wax & Drying Agent

DESCRIPTION:

3C FOAMING WAX is a premium quality triple coat, cheater wax and drying agent for use in all manual wash and automatic applications. It contains a scientific blend of non-petroleum oils, cutting edge silicone water repellants, and carnauba wax. It promotes rapid water repulsion and drying of all vehicle surfaces. It is recommended for use as the final rinse or may be followed by a RO water rinse. It is especially effective in applications using forced air blow off as the water beads up and rolls off the surface under moderate air flow.

SPECIFICATIONS:

Appearance.....clear amber liquid
Specific Gravity..... 0.98 (8.16 #/gal)
pH7.0
Odor mild solvent
Biodegradable..... Yes

Application and Dilutions:

Use 3C FOAMING WAX as the final rinse additive or it may be followed by a RO water rinse. Recommended use is 1 oz / gal (1:128) to 4 oz / gal (1:30). Diluted 3C FOAMING WAX is safe on all exterior vehicle surfaces.

PRECAUTIONARY STATEMENT:

3C FOAMING WAX concentrate is mildly irritating to skin and eyes. Wear safety glasses and gloves when handling concentrate.
